Date

: October 9, 2010

Patent No. : 5796183
Inventor(s): : 08/601268
Issued : August 18, 1998
Title : CAPACITIVE RESPONSIVE ELECTRONIC SWITCHING CIRCUIT

Re: Request for Certificate of Correction

Consideration has been given your request for the issuance of a certificate of correction for the above-identified patent under the provisions of Rules 1.322 and 1.323.

With respect to the alleged error concerning the addition of inventors' names; the inventors are printed in accordance with the Declaration and/or ADS submitted at the time of filing the application or the filing of a petition during pendency. Review of the application file does not reveal a petition/amendment that meet the requirement of changing the inventorship. Accordingly, correction is not warranted under 1.322 or 1.323 as filed.

In view of the foregoing, your request is hereby denied.

However, your attention is directed to 37 C.F.R. 1.324, wherein a request is being made to add or delete inventor(s), after issuance of the patent.

Any inquiry concerning this communication should be directed to Ms. A. Green at (703) 756-1541.
